AIRCRAFT SPECIFICATION

The Hawker 800 XPI is a well-known business jet that is ideal for mid-range destinations and provides you with a luxury flight experience in a spacious cabin.

One of the highlights of the 800 XPI is its ability to take off runways much shorter than it is usually required for private jets. This elegant midsize aircraft features a forward galley complete with the conveniences of home to keep you recharged throughout your flight. You and your guests can also enjoy the private jet's DVD entertainment system and Airshow 400 inflight system.
